Military Base 22

"Military Base 22" is a one-of-a-kind satirical animated series where political correctness flies out the door faster than a ballistic missile! It's set on a secret nuclear missile base that has all the makings of Top Gun.

But what goes on there is 100% ludicrous, a pure farce. For an installation that's supposed to be top secret, it's run more like a Chinese fire drill.

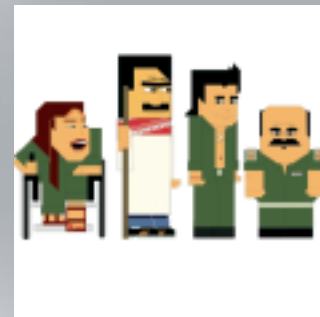

"Military Base 22" is staffed by slow-witted soldiers and officers, who instead of performing their duties are busy with their petty escapades and pursuit of their self-serving personal agendas. Not surprisingly, security breaches abound, nuclear disaster lies like heavy water in the air, and anarchy rules.

The show ventures into what up to now has been unexplored

territory. The traditional sacred cows of political correctness are slaughtered mercilessly in this madcap satire...

Censors will want to ban it, but viewers won't miss an episode, nuclear agencies will ignore it yet viewers will adore it!
