Surrounded

Surrounded

Jo, Toby, Maus and Leo are back for their second season. These easy-going and likeable teenagers have been, for various reasons, kicked out of more schools than they can count. Now their last and only chance left to graduate is in... an all-girls school!

Forget trying to look cool while wearing a girl's pink and black gym outfit... no chance! The biggest problem facing the guys, though, is not getting caught up in the petty conflicts and jealousies of their hundred scheming and flirtatious hosts!

Staying out of trouble is difficult enough, but trying to concentrate on schoolwork when your classroom is filled with cute teenage girls is downright impossible. The guys are willing to do almost anything to prove that they're up for the challenge, but the very last thing these girls want is to make it easy for them...
