# 29... and still a Virgin

## 29... and still a Virgin

Victoria, or Vic for short, is twenty-nine years old, pretty, intelligent... and still a virgin! Despite everything she has going for her, Vic repeatedly encounters the same problems as she desperately tries to lose her virginity. It's either the wrong time, or the wrong place, or even more importantly: the wrong guy. But when she starts a new job, a new man appears in Vic's life and the situation changes.

Nick is everything she has been looking for in a man, and he is also in love with her. Sounds perfect, right? But then Vic starts to panic. How will Nick react when he discovers he's fallen for a twenty nine year old virgin? She's afraid that he'll think

something is terribly wrong with her, as if she's damaged goods! And so she hatches a plan: she will lose her virginity to someone else before she spends her first night with Nick.

With the help of her best friend, she tries to find a suitable man. The two women think the task will be easy - surely any red-blooded guy would be more than willing to "deflower" a virgin like Vic! But surprisingly enough, it doesn't turn out to be quite as easy as they expected. Vic goes through one misadventure after another until finally, the 29 year-old virgin's search for experience winds up ending in a way she could not possibly have anticipated...
