## Dudes on Duty

Rocky and Benjamin couldn't be more different. While Benjamin is a shy bookworm, Rocky plays in a rock band and is a big hit with the ladies. So, when they both have to work in the same nursing home in order to fulfill their mandatory year of civil service, they are not terribly thrilled. However, a lot of surprises are in store for the unlikely pair. For one, there is nurse Ellen, a real knockout, who they both quickly fall for, and Hermann, who bullies and blackmails the two from the first moment on.

But when the two discover that the head physician of the nursing home plans to turn it into a luxury sanatorium, they decide to work together to do everything in their power to prevent it. It will just take lots of money... which of course they don't have. They can only think of one way to get so much cash in such a short time: a benefit concert.

Maybe the ladies choir of the nursing home featuring Rocky's band can pull off the impossible...
