Hearts on Ice

The successful architect Eva is on vacation with her adult son Peter in Iceland. While taking part in a group exploring a glacier, Peter falls madly in love with Karen, the local tour guide.

Meanwhile, Eva is shocked to realize that the man she sees guiding a sled dog team is none other than Robert, her long-lost husband. Robert had left her 28 years ago after a company bankruptcy without knowing that Eva was pregnant with Peter at the time. Then Peter's world is also thrown into chaos - Karen is Robert's daughter! Devastated, Karen immediately ends their relationship...

Finally, Karen's old friend Ludvik now sees his chance to win her over - a relationship that his father Kristjan attempts to prevent by every means possible. He blames Robert for the death of his beloved cousin - Karen's mother. But why is he so antagonistic towards Karen? During a heated argument between father and son the entire surprising truth is revealed...
