Kill your Darling

Kill your Darling

Is it the return of the "Face Slasher" or just a sick copycat?

After partying in the club "Kill your Darling", Tim's friends fall into the hands of the merciless serial killer known as the "Face Slasher".

Quickly the investigation focuses on Tim who gets arrested in the catacombs of Berlin. Years ago, Tim had lost his memory after a car accident and now that his friends have disappeared without a trace, Investigator Meisner believes that he is responsible - a psychopathic copycat of the "Face Slasher".

Meisner knows that Tim has been obsessed with this sadistic serial killer who slices the skin from the faces of his victims, leaving them horribly disfigured forever.

Escaping from the psychiatric ward where he is confined, Tim is driven to prove his innocence and find the real killer before his friends become the next victims. Along the way, Tim's desperate hunt also leads him on a deep search into his own soul...

Chased by the police and aided by his alleged mentor Legrand, a collector of serial killer souvenirs, Tim discovers a horrible and difficult to imagine truth that puts an entirely new face on life and death...
