## Kiss me Kismet

You meet someone, fall wonderfully in love and everything is fantastic... but for Götz, the loveable and chaotic owner of a record shop who has lost his heart to the beautiful Aylin, it's not quite so easy. In order to win this oriental girl's affections, he'll have to win over her sizeable family first.

It's not an easy task... they are far from thrilled at the thought of Aylin being with a Westerner. Especially her dad, Süleyman, who does everything in his power to end their relationship - he has his mind set on the charismatic (and Turkish) doctor Tarkan for his daughter. Götz is forced to go to extreme measures to prove to Süleyman that he's worthy. Not only does he ask for Aylin's hand in marriage, but also - to his mother's horror - he's even willing to convert to Islam. And Götz goes all the way, religiously observing Ramadan along with the others of his newfound faith.

It's faith he will truly need, because fate has unleashed a series of unfortunate events that threaten to drive Aylin straight into Tarkan's arms...
