# One Dog, Two Bags and a Big Love

## One Dog, Two Bags and a Big Love

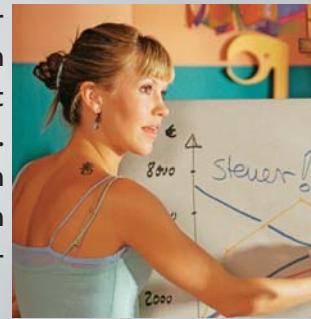

The young, pretty and vivacious decorator Isabelle is full of creative energy. She would love to open her own store, but unfortunately she doesn't quite have the cash to make her dream come true. On a flight home from Mallorca, she has a fateful encounter with the attractive Daniel, who has just inherited a jeweler's shop.

But the perfect moment is totally spoiled by Isabelle's dog Paul, who snatches the ticket from the hand of the handsome stranger and runs away. As fate would have it, it's not merely provocative looks that the two exchange... by accident, they switch their suitcases as well. It might not seem such a big deal, but for Daniel, whose suitcase contains exclusive sketches from a Spanish jewelry

designer, the mix-up is a catastrophe. He immediately goes in a frantic search for Isabelle. When he does finally locate her, he is horrified to find that the sketches have disappeared from his luggage. When the missing sketches then turn up... with Isabelle's name on them, the romance that's been blossoming between the two is thrown into complete disarray.

Daniel is deeply hurt that such a pretty and charming woman as Isabelle would betray him this way. Isabelle, who has no idea how the sketches ended up with her name on them, feels severely insulted by his mistrust. Perhaps Isabelle's ex-boyfriend Ben could help resolve this monumental misunderstanding...
