Sex at Last

Saskia, 17 years old, is faced with a major problem: all of her girlfriends have done "it" already, but Saskia remains a virgin.

On the first day of school after the summer break, desperate for acceptance, she tells a big fat lie about how she finally did the deed with a dreamy boy while on vacation in Italy. Overnight Saskia turns into the center of attention at her school and even her secret love, the unattainable Christoph, starts showing interest in her.

With the help of Hannes, a gay teenager that just moved into her house, Saskia wants to really achieve her goal...

...to be a virgin no more!
