Special Unit

The heroes of the Special Unit, an elite German police team lead by Commander Geb, return for a thrilling second season.

Highly trained and extremely committed, the men maintain a strenuous level of physical strength and mental concentration that makes them exceptionally formidable opponents of the criminally inclined. Although as individuals the men are completely different, when they come together to work on the extreme cases, they become a team that is nearly invincible.

Exciting and dangerous new assignments await the Special Unit. Agent Demir nearly loses his life while attempting to expose a major criminal syndicate involved in the illegal weapons trade. A former soldier of the Federal Army threatens to kill himself by blowing up an army depot full of explosives, which would endanger the lives of thousands of innocent people.

Closer to home, Commander Geb is placed in the difficult position of having to save members of his own family when terrorists become dead-set on hunting down one of his daughter's friends.

Intense and dramatic action awaits the Special Unit. Whether faced with murderous drug traffickers or horrific attacks planned by fanatical terrorists, the Special Unit is ready to take action...
