The Evidence Within

The Evidence Within

The focus of this swiftly paced and amusing crime series is on its mismatched and downright unorthodox team: the clever and charming Chief Inspector Leo and his candid but chaotic colleague Detective Nina. Both have a great sense of humor, and when these two wily investigators also combine their other, distinctly different talents, they are unbeatable in bringing the bad guys to justice.

Although even the most difficult cases practically solve themselves when confronted by this pair's wit and iron nerves, they still have one difficult challenge ahead - to prove if they're truly a dream team: Nina, after getting kicked out of her apartment, "temporarily" moves into Leo's place...
