The Guide: Things you always wanted to know A-Z

The Guide: Things you always wanted to know A-Z

“The Guide: Things you always wanted to know A-Z” isn’t meant to be taken too seriously, but it does highlight the amusing, everyday situations that life throws at us, and the actual reasons we behave and react the way we do. It’s about learning and laughing at the same time...

Life gets more and more complicated every day, and a steady stream of new trends pop up all the time... which leaves people wanting their relevant but funny questions answered. That’s where “The Guide: Things you always wanted to know A-Z” comes in. For example, why is it that men have absolutely no problem freely showing emotion while watching soccer, but when it comes to a romantic weekend getaway, they act

like they’re stationed on Guantanamo Bay? Why does a woman always go to the bathroom with her best friend? How does daddy explain to his 13-year-old daughter, who is slightly overweight and covered with pimples, that Brad Pitt is probably not going to marry her anytime soon?

“The Guide: Things you always wanted to know A-Z” gives answers to questions asked about men, women, children, vacations, cars, etc and humorously puts them into a highly entertaining A to Z format. It is organized into 26 interesting clips that are covered by a panel of witty celebrities and top comedians who host the show. The viewers are treated to outrageous theories, crazy statistics, and funny resolutions

as well as tips. Half serious and fully hilarious, the tongue-in-cheek commentary, advice, anecdotes and opinions from the comedians touch on the parts of life that affect us the most.

“The Guide: Things you always wanted to know A-Z” exposes and is unforgiving in its treatment of: men, women, children, vacation, traffic - no matter what subject - the Guide goes into depth. It gives you all the information you need to understand women: A=Automobile B=Bathroom or C=Clooney George and so on.

“The Guide: Things you always wanted to know A-Z” keeps you laughing all through the alphabet!
