# The Worst Day of my Life

## The Worst Day of My Life

Who hasn't had just one of those days, where every little thing seems to go wrong? On such a day, it seems like things couldn't get any worse. Wrong! Things will most definitely get worse, especially now that the team from "The Worst Day of my Life" has entered the picture. With the help of co-conspirators such as best friends or relatives, the merciless team ensures that an unsuspecting "victim" experiences a horrible day, from sunrise to sunset, whether they are in the office, at football training, or even out shopping... all in the name of good fun!

So who deserves such "punishment"? The chosen victim might be the loud-mouthed jerk who's always showing off to his friends, the gossipy employee who makes fun of her colleagues or the grumpy sister who is a real pain in the rear for her family. Everybody knows someone - a relative or friend - who really deserves some payback, and "The Worst Day of my Life" is glad to oblige! But who is behind the scenes pulling the strings? In his sleek

black van with tinted windows, the host of "The Worst Day of my Life" is the "avenging angel", always on the move and always at the scene of the crime. Assisted by a high-tech, mobile production team and equipped with numerous props and costumes, the host steers the show, both from behind the scenes and as an active player. Yet "The Worst Day of my Life" goes beyond determining how well a victim holds up under the orchestrated pressure, which lasts from morning till night - at work, during leisure time or even on holiday. The show also has additional fun, thanks to the hidden camera segment, "The host as...". During this segment, the host slips into different costumes and different roles, playing hilarious tricks on clueless bystanders: as a waiter, a vet, a used-car salesman or a swimming coach. By playing his "victim" like a maestro plays his instrument, the host finds and pushes all of his victims' buttons, which ensures a memorable and riotous finale to what has been a long, black day!
