## Two Funny

“Two Funny” is a sketch comedy showing two characters in a huge variety of everyday situations: a patient and his doctor, a waiter serving a guest or even a more private scenario, such as a couple at home or going out for a night on the town.

The framework for this fresh and hilarious comedy is the life of the happy couple Maike and Tom. Despite their harmonious relationship, they still get involved in the typical conflicts that are a part of every relationship.

Each episode is structured into four sketches of Maike and Tom's life together. The sketches are separated by short blocks in which the two protagonists parody an ever-changing parade of characters - more than 300 roles - each of which is situated in a different context. This enormous variety of themes combined with the show's humorous tone turns “Two Funny” into a light and entertaining TV program that makes everyone laugh!
