Welcome to our fun and action-packed shows for the entire family! All are presented by two hosts in front of an audience of up to 4,000 people! Five teams of celebrities - divided into pairs and easy recognizable by their team colors - have to prove they have what it takes to face hilarious physical challenges.

Let's play **mini-golf**! A 15-lane mini-golf course awaits the five celebrity teams as well as a judge who makes sure they stick to official mini-golf rules. But there are also the fun, "unofficial" rules: when a ball lands outside of the lane, the player receives a penalty, such as having to talk after inhaling helium or do the chicken dance! Another treat is the "handicap" that every team has, which, when handed to the competition, means that they must play with a bent club or chip from a stepper. If a lane is too difficult, the celebrities can also use

their joker to substitute a young talented player for the round. In the final, the two top teams must make as many hole-in-ones as possible in six shots. The team with the most hole-in-ones wins the golden mini-golf club!

It's showtime **in the snow**! The celebrity teams have a blast as they compete in a hilarious mix of eight action-packed winter sport games. If it gets too cold while they are sliding down the ramp on giant tubes, driving pedal cars on ice, curling, doing a biathlon or busy with the snowball throw, there are cheerleaders to turn up the heat. The hall is fully transformed into a winter wonderland, with snow and ice fields and a ramp for jumping. While our teams are slipping and sliding towards a hopeful victory, a professional sports reporter delivers an amusing, tongue-in-cheek commentary on all the action.

After each round, the winning team scores 5 points, the second-placed team 4... down to the losers who only get one point. In the final, it's all about speed: the celebs must sprint on ice and then slide down the snow ramp on giant tubes, after which they have to hit a target with snowballs. But win or lose, it's all about having fun!
