Louie Spence Dance Project

Louie Spence is a world-renowned choreographer and dance instructor. He has worked with some of the best in the business including Mariah Carey, The Spice Girls, Kylie Minogue, and Robbie Williams. After having a gigantic hit with the show "Pineapple Dance Studio" in the UK, he has now been commissioned by Broadway Dance Studio, an American studio in New York City, to breathe new life into its curriculum.

Louie's life-long dream is to be on Broadway and now he finally gets his chance. Completely fish out of water, he will bring his unique style to the city that never sleeps. But, as the song goes, if you can "make it there, you'll make it anywhere."

Surrounded by a group of the best dancers and instructors that New York City has to offer, Louie will be put to the ultimate test. He will have to get to know the strengths and weakness's of the studio's on-staff teachers and will also be tasked with starting the studio's first official dance troop. With Louie's extremely original take on everything from the obvious to the sublime, it is sure to be an entertaining ride.

Presented with a dry wit, the aim of the series is to entertain, leaving no shortage of "jazz fingers" to go unnoticed.
